

Title: Storyboard horizontal banner (Task 1)

					
Description	The banner position will be off set from the home page and it's image1 and image2 will have visibility 0.	Description	The banner position will move from top to bottom with a slightly left to right position. Text quote will start appearing in the middle with increasing size. Image1 will start appearing halfway from bottom to top. Similarly, image2 will start appearing halfway from right to left.	Description	Image1 & image2 will be fully visible thus, hiding the background image. Banner stays at the top position of the home page and text in the middle will be changed from quotes to student name and id and stays on left side of the container.
